DEDICATED TO CRAFTING EXCELLENCE

SHREY - OUR STORY

Established in 2013, Shrey embodies a legacy of excellence in sports apparel and equipment. Under the astute leadership of our Managing Director, Raghav Kohli, a visionary entrepreneur with over 18 years of operational expertise, we have achieved remarkable global growth. Beginning with the production of top-quality cricket helmets, we swiftly garnered international acclaim, becoming the preferred choice for elite players worldwide. Our strategic partnership with hockey equipment pioneer Thomas Kille led to the successful launch of Shrey Hockey, expanding our reach into new markets and reinforcing our commitment to excellence.

At Shrey, we are dedicated to crafting exceptional sports apparel and equipment since our inception. From our world-class cricket helmets to bespoke teamwear, our commitment to quality and innovation has earned us the trust of athletes worldwide. Our diverse range of activewear, compressions, and training apparel continues to receive accolades for their performance and durability. We are committed to sustainability, exemplified by initiatives like Shrey Care, which promote environmentally conscious manufacturing practices. As we continue to evolve, we remain driven by creativity, dedication, and a relentless pursuit of excellence.

JOURNEY TOWARDS SUSTAINABILITY

SHREY CARE

The year 2020 began with the foundation of the Shrey Care initiative, we scrutinised the fabrics used for manufacturing and began replacing them with recyclable materials.

OUR MISSION

FOR A SUSTAINABLE AND GREENER FUTURE

CARBON NEUTRAL FUTURE TARGET 2035

Eco-materials by 2030

Sourcing 70% of our materials from local, eco-friendly vendors.

Carbon reduction measures

Pledged to reduce our carbon footprints by half in the coming years.

SHREY CARE

With the on-set of the Shrey Care initiative, we started replacing our fabrics, trims & packaging with recyclable yarns.

2035

By the end of 2035, the intent is to become an entirely biodiversity-friendly sportswear and gear producer. Our objective will therefore be to reduce our Carbon footprints to negligible and to introduce measures for decarbonising.

2023

35% Energy Efficiency

Pushing technological boundaries in every stitch and seam.

2022

2021

We entrenched the idea of sustainability into our work ethic and adopted the LDPE- Biodegradable packaging for our products.

2020

OUR MISSION

"Our mission is to design elegance with strength and to be the ultimate choice for your sportswear needs."

VISION

- We believe in cradling ideas and innovating designs which can reduce our customer's stress in any way.
- We are committed to constantly elevating our standards of quality and designs.

VALUE

- Our priority is our environment and that is why we emphasise immensely upon sustainability.
- We believe in redefining concepts and defying notions that limit our imagination.

COMPANY CULTURE : GROWTH AND INSPIRATION

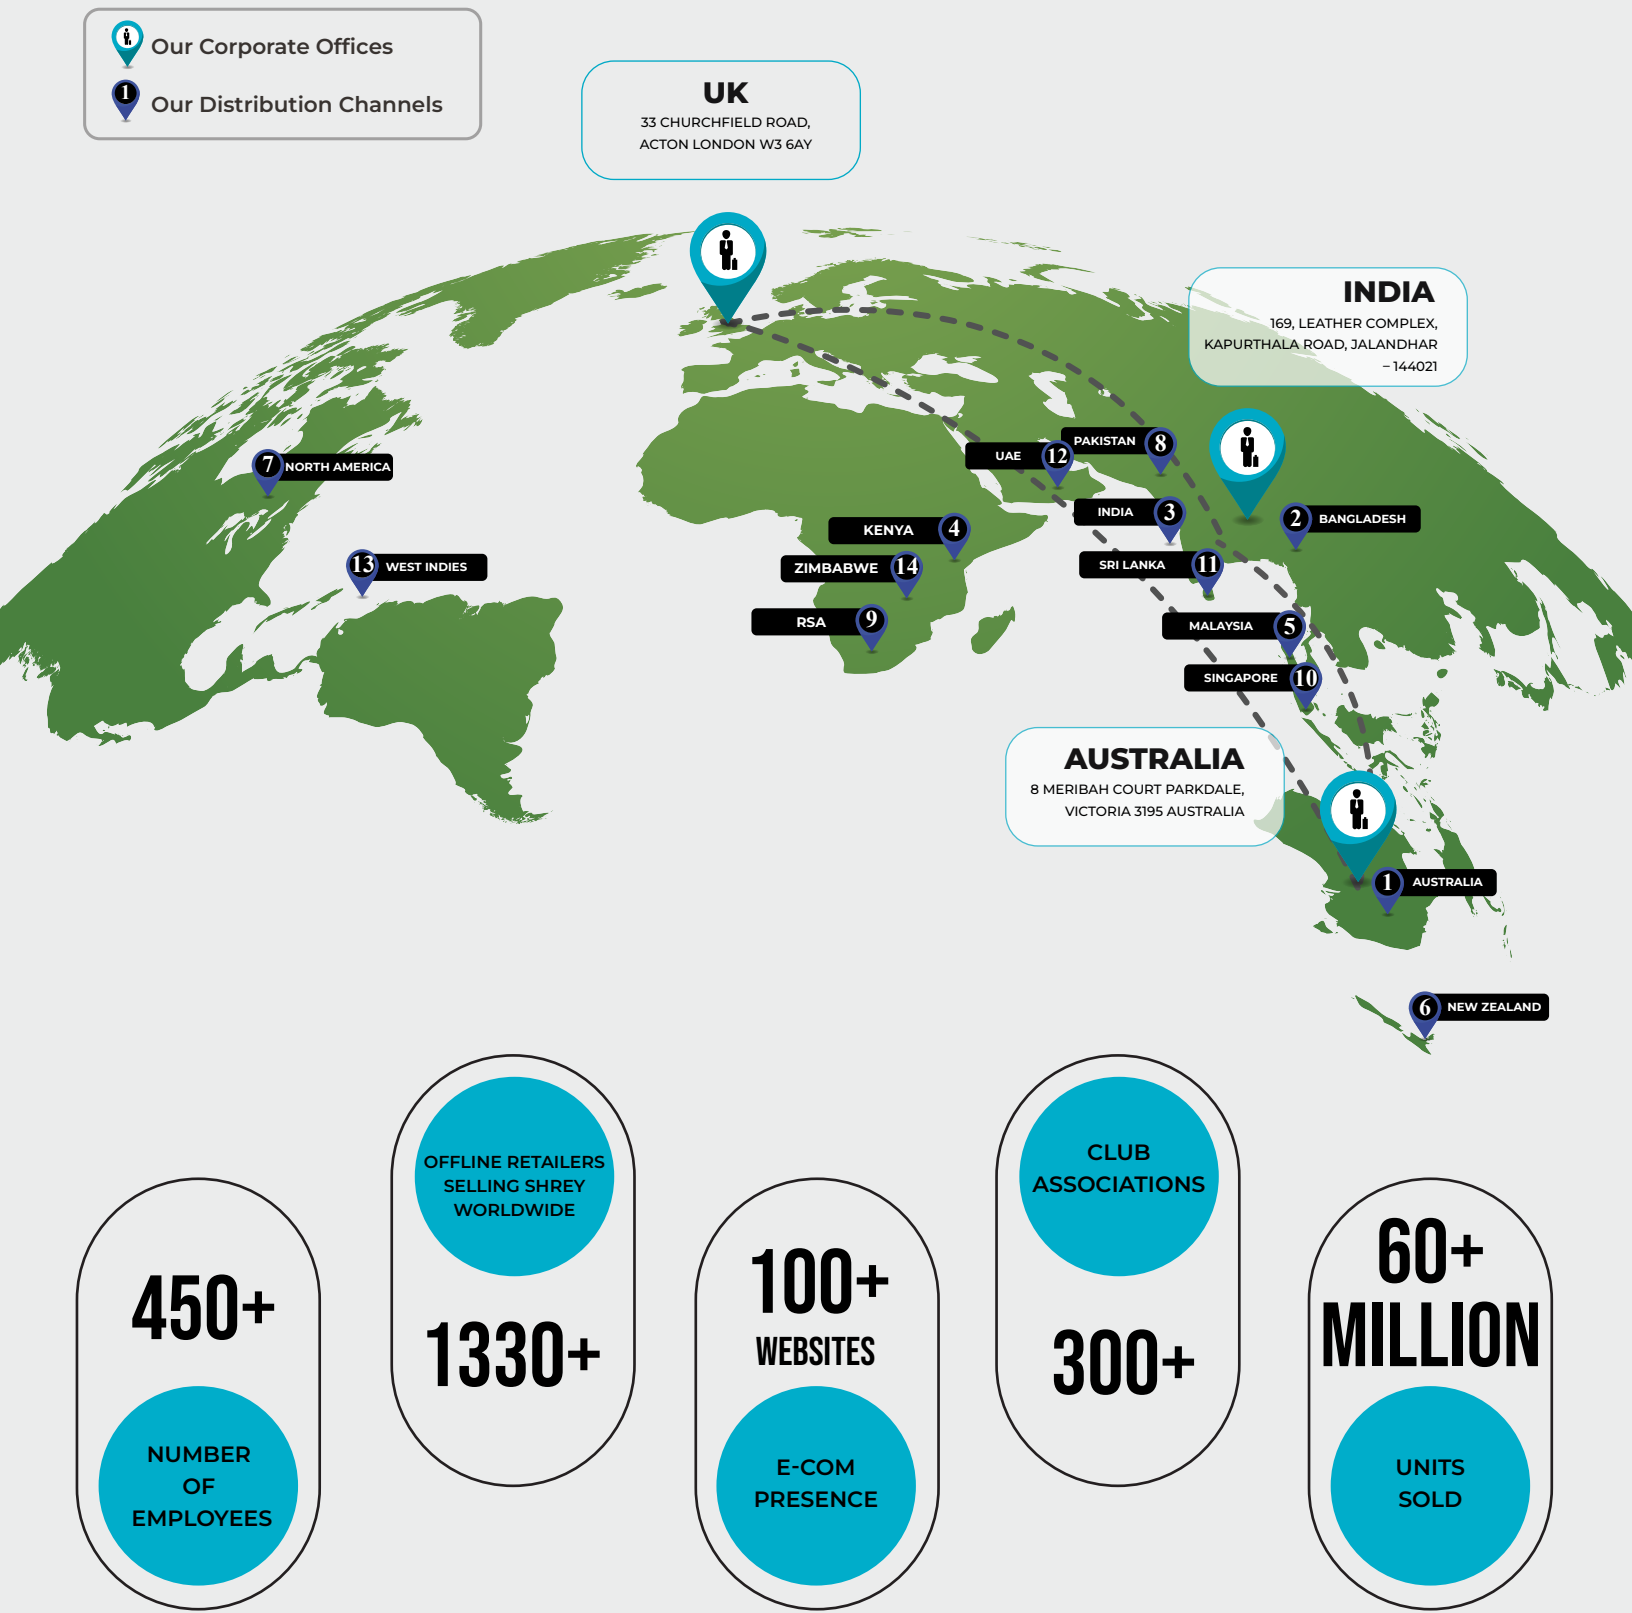

As sports enthusiasts, our team shares our passion for sports, which makes our union stronger and more determined than others. We incorporate different perspectives and ideas within our framework and develop our strategies after deliberating and understanding each other's viewpoints. We share the commitment to our mission and ideas that guide us towards emblems of excellence.

OUR GLOBAL PRESENCE

Corporate Offices Connecting The Globe

A plethora of corporate offices in different parts of the globe shape Shrey's policies and represent our spirit of connectivity. To cater the supply and demand needs, we've established offices in UK, India and Australia. The essence remains to serve the end customer with a smooth process and simultaneously taking care of our distributors and retailers who form this chain of connectivity.

TESTIMONIALS

ENGLAND & WALES CRICKET BOARD

We have used Shrey as one of our helmet providers for several years. The quality of the product and service is amazing. Recently Raghav personally organised a last minute helmet delivery for us which included travelling by motorbike and two planes in order to fulfill a last minute request.

- Sean Wood
Kit Executive, England & Wales Cricket Board

CARDIFF UNIVERSITY CRICKET CLUB

CUCC has used Shrey teamwear for a number of years and the quality of both kit and customer service has been excellent. From our core to our bespoke range, and to our special Varsity kit, our members have always looked the part both on and off the field. We extend our feelings of gratitude to Shrey for their continuous support.

- Ed Wade
Kit Secretary

WESTERN STORM

We have been associated with Shrey from many years and have always cherished the quality and unique designs that they have made for us. Be it helmets or teamwear clothing, their commitment and delivery of goods has been outstanding. All of our grievances and inputs are incorporated and Shrey has always made sure that we are satisfied with their services.

- Georgina Clark
General Manager

DEVON CRICKET SOUTH AFRICA TOUR

We were so pleased to have worked with Shrey to ensure that Devon Cricket's U15 squad had the best kit for their tour to South Africa. Their team is a dream to work with and had some great ideas and designs, which went down really well with the team and tour party. The whole process was easy and efficient, and the tour was a huge success – we would love to work with Shrey again!

- Kat Hampton
KJH Design

CARDIFF MET CRICKET

Shrey is a fantastic company to work with; We have over 150 playing members and as a large University club, we require our kit supplier to be organised, coordinated and quality oriented. And Shrey shines in all these parameters. We have been making bulk orders throughout the year from many years and all have been brilliantly managed and delivered by them in an organised fashion.

The option of connectivity is always available at Shrey and our contact always responds to all the queries and requests of our kit team.

Shrey undoubtedly remains the best quality kit that we ever used; they are always willing to go above and beyond for our players and their needs. No matter is small for them to deal with.

It is a pleasure to work with Shrey and we hope that our relationship will continue in the coming years.

NORTHUMBRIA CRICKET CLUB

Shrey team have been fantastic from day one. From getting the presentation sorted initially to then having the club shop up and running everything's been fantastic. Not only the price of the garments has been fantastic but also the quality, and the speed of service, in some instances as little as three days, which is something that we've been extremely impressed with. We would and have recommended Shrey to a couple of other clubs who are also now realising the quality and affordability that is available away from your typical mainstream suppliers. I personally look forward to continuing to work with them over the years to come, and I'm sure the University team will be doing the same.

OUR ASSOCIATIONS

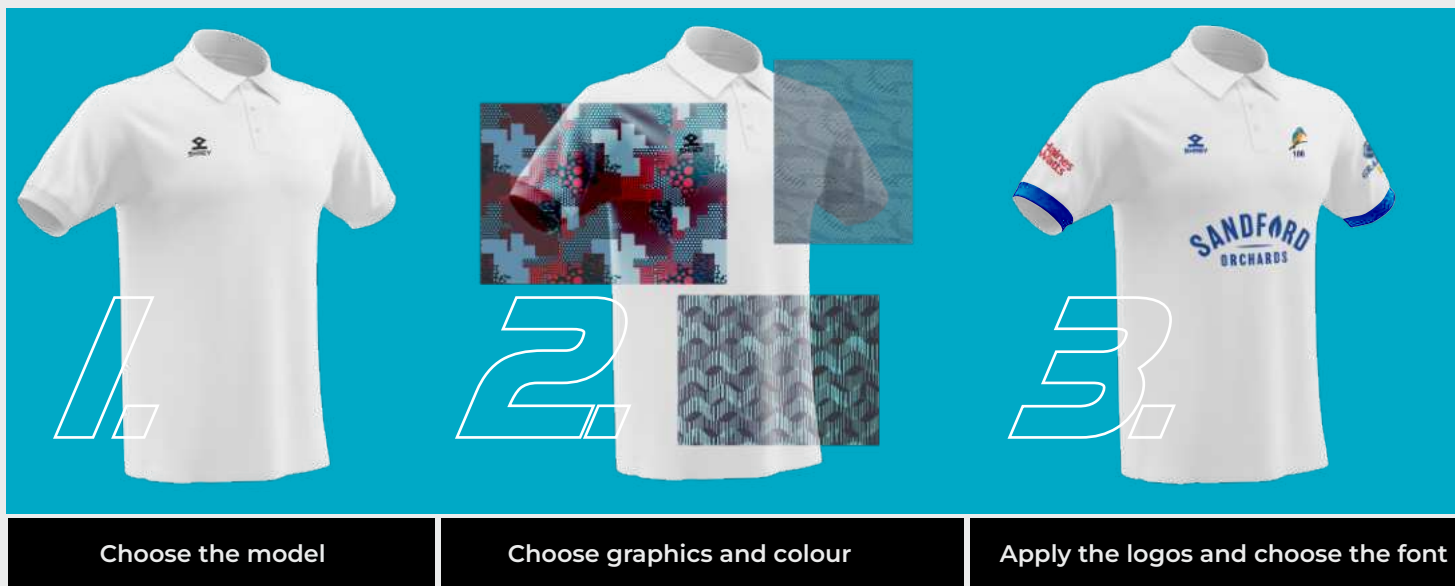

For over a decade, Shrey has provided premium custom kits and teamwear to international clubs and academic teams. With a commitment to quality, our expert team crafts each garment meticulously, ensuring your vision comes to life. We're your dedicated partner in achieving sporting greatness.

EMBELLISHMENTS AND TRIMS

Explore premium customisation options for your personalised kit:

EMBROIDERY

Traditional machine stitched logos offer exceptional quality and longevity. Thread colours can be matched to your choice of pantone and maintain high colour quality when washed. Not advised for use on showerproof and waterproof outerwear.

FLAT HEAT SEAL

A detailed imprint of your logo/design that sits on the surface of the apparel. Heat applied, it can use multiple types of technical single and multi colour vinyl, metallic and reflective options

SUBLIMATION / DIGITAL PRINTING

Sublimated logos sit within the graphic pattern of the garment so they are ultra durable and unable to come off during washing. As well as club logos you can also add intricate patterns and graphics that can look very subtle (watermark) or they can be very vivid and bold designs. Sublimation can not be applied post production.

3D TRANSFER LABEL

The Shrey 3D transfer sits on top of the garment, similar to the flat heat seal but this option has a raised surface to give a high quality 3D effect. Normally this technique is limited to the club crest and other multiple use logos. It is available in matt and gloss finish and is priced based on number of colours, size of the logo and quantity required.

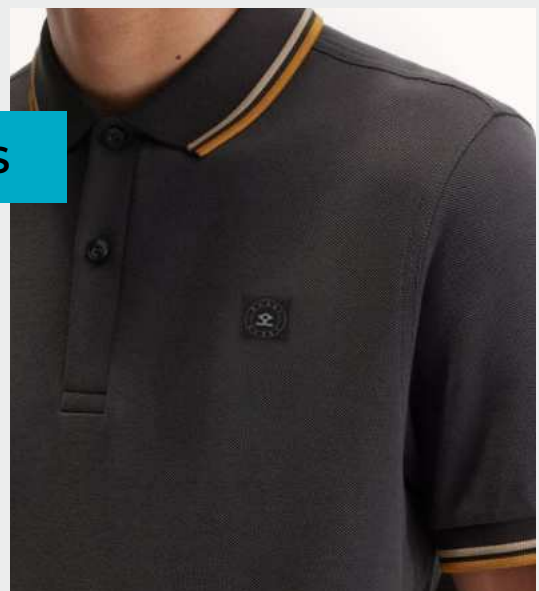

WOVEN PATCH

The woven patch is a great option for customers who want intricate detail, premium quality without the raised texture of a 3D transfer or embroidery. The patch sits on the surface of the garment and is applied using a stitched outline or applique which has a low impact on the inside of the garment.

RIBBED COLLAR AND CUFFS

Add unique finishing touches to your garments by applying your traditional colours to collars and cuffs. A variety of neck and cuff tipping is available for customisation from single or double lines (as pictured) to coloured patterns and text.

Please ensure that the logo files you send are of high quality and accurately represent the colours. For quality assurance in embroideries, we require DST file logos accompanied by a "RUN SHEET". Conversion to DST incurs additional charges.

LOGO POSITIONING

LOGOS, NAME & NUMBERS SIZE

L1 Club Logo Placement

- Embellishment Type- It is usually embroidered on most of the fabrics and heat-seal in the fabrics which don't support embroidery.
- Not chargeable, Included in the price.
- Not included for trade customers only in stock/in line range. To be charged extra plus VAT.
- Woven Patch/3D Transfer Label: Additional charges will apply for the inclusion of a woven patch or 3D transfer label.

L2, L3, L4, L5, L6, L7, L8 Name and No.

- Sponsor Logo Placement | Embellishment Type - Heat Seal | Cost- Extra plus VAT for Stock/In Line, Bespoke Cut & Sew and Bespoke upper panel sublimated garments.
- Included in the price of bespoke sublimated garments.

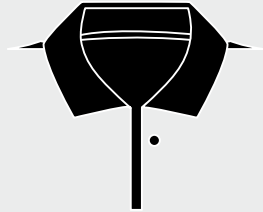

Initials

- Embellishment Type- Heat seal or Embroidery depending on the fabric
- Cost- Extra plus VAT for any garment or range.

DETAILING YOUR KIT

We offer customisation choices to enhance your teamwear personalisation process. Along with selecting your preferred print designs for teamwear jerseys, you can also customise the neckline and jersey number style according to your preferences for your unique apparel.
